Notes to the Financial Statements

Te Hanga South Lands Trust For the year ended 31 March 2020

1. Reporting Entity

Te Hanga South Lands Trust is a Maori Authority registered under the Ture Whenua Maori Land Act 1993.

2. Statement of Accounting Policies

Basis of Preparation

These financial statements have been prepared in accordance with the Special Purpose Framework for use by For-Profit Entities (SPFR for FPEs) published by Chartered Accountants Australia and New Zealand.

The accounting principles recognised as appropriate for the measurement and reporting of the Combined Statement of Financial Performance and Statement of Financial Position on a historical cost basis are followed by the entity, unless otherwise stated in the Specific Accounting Policies. The information is presented in New Zealand Dollars. All values are rounded to the nearest \$.

Historical Cost

These financial statements have been prepared on a historical cost basis, [except for certain assets which have been revalued as identified in specific accounting policies below]. The financial statements are presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services, excluding goods and services tax rebates and discounts, to the extent it is probable that the economic benefits will flow to the entity and revenue can be reliably measured.

Sales of services are recognised in the period by reference to the stage of completion of the transaction at the end of the reporting period.

Lease income is recognised on a straight line basis over the life of the lease.

Interest received is recognised on receipt, gross of refundable tax credits received.

Dividends received are recognised on receipt, net of non-refundable tax credits.

Property, Plant and Equipment and Investment Property

Property, plant and equipment and investment property are stated at historical cost less any accumulated depreciation and impairment losses. Historical cost includes expenditure directly attributable to the acquisition of assets, and includes the cost of replacements that are eligible for capitalisation when these are incurred.

An item of property, plant and equipment or investment property is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year the asset is derecognised.

Annual Report | Te Hanga South Lands Trust Page 13 of 17

Upon derecognition, the asset revaluation reserve relating to the asset disposed shall be transferred to retained earnings.

Income Tax

Income tax is accounted for using the taxes payable method. The income tax expense in profit or loss represents the estimated current obligation payable to Inland Revenue in respect of each reporting period after adjusting for any variances between estimated and actual income tax payable in the prior reporting period.

Goods and Services Tax

All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.
